BUCS LOOK FOR NEW EXPERIENCE IN 2011

Shelton State Baseball had a **HISTORIC THREE SEASONS** in 2007, 2008, and 2009 that resulted in winning the program's first three **STATE CHAMPIONSHIPS** in school history and make back-to-back-to-back trips to Grand Junction, Colorado for the World Series. The Bucs fell short in 2010 finishing runner-up in State. The 2011 edition looks to rebound from last season and make a run for a fourth title.

The Bucs expectations are always high and this is no different for the 2011 season as the coaching staff looks to continue that success from previous seasons.

"We expect our players to meet the challenges of playing a demanding schedule," said head coach Bobby Sprowl.

The 2011 Bucs are probably the least experienced team that Shelton State has had in Coach Sprowl's 20 years of coaching the Bucs. Only two starters return, outfielders Brandon Roberts and J.R. Krebs. The pitching staff is even less tested with Johnny Shuttlesworth the only returner with big game experience.

"Even with the lack of returning players, I feel this team has a chance to be one of our most athletic and talented teams, with quality depth at most positions. By the middle of the season this team will have a chance for good things to happen," Sprowl said. "The biggest thing this team will need to do is learn how to win and expect to win games."

The Bucs enter the 2011 with 29 new players. "The early part of our schedule will be important. This will allow our newcomers, both hitters and pitchers, the experience they need," said Coach Sprowl.

The new players will look to the sophomores, Chris Whitaker, Trent Lucas, Jim Bob Hutchinson, J.R. Krebs, Brandon Roberts, Johnny Shuttlesworth and Wes Franklin, for their leadership and guidance in learning how to play Buccaneer baseball.

Other experience comes to Buccaneer baseball through transfers from other schools. Blake Barber transfers from Northwest Florida, Blake Beck came from Fayette and Stafford Booth from Auburn.

They keys to the Bucs continuing their winning ways in 2011 are developing their pitching staff, their defense and how to handle road games.

Defense is equally important to the Bucs success. The team lost most of its position players and they will be looking for some newcomers to step up and lead the defense.

OUTFIELD

With the loss of Coy Arrowood, Sophomores Brandon Roberts and J.R. Krebs will anchor the outfield this season.

"Arrowood was one of the best outfielders we have ever had at Shelton," said Sprowl. Roberts and Krebs looks to continue the success in the outfield this season.

Looking to assist Roberts and Krebs in the outfield will be Corey Jackson, Terrance Dedrick, Jake Ward and Zach Bach. "Corey Jackson and Terrance Dedrick are both middle of the line-up hitters," said Sprowl. Jackson has speed and Dedrick has really good defense. "Jake Ward is the type of batter that should be able to make things happen," Sprowl noted.

Sprowl also notes that Brandon Roberts is a special player. He is one of the best lead off hitters that Shelton has ever had. Roberts is coming off a very successful 2010 campaign where he was named All-Division.

"The outfield should be good again this year," Sprowl said. "The outfield will be a strength of the 2011 team. They are all plus runners that can really throw. We have a lot of depth in the outfield." The outfield will possess a lot of speed which will allow them to be game changers offensively.

INFIL

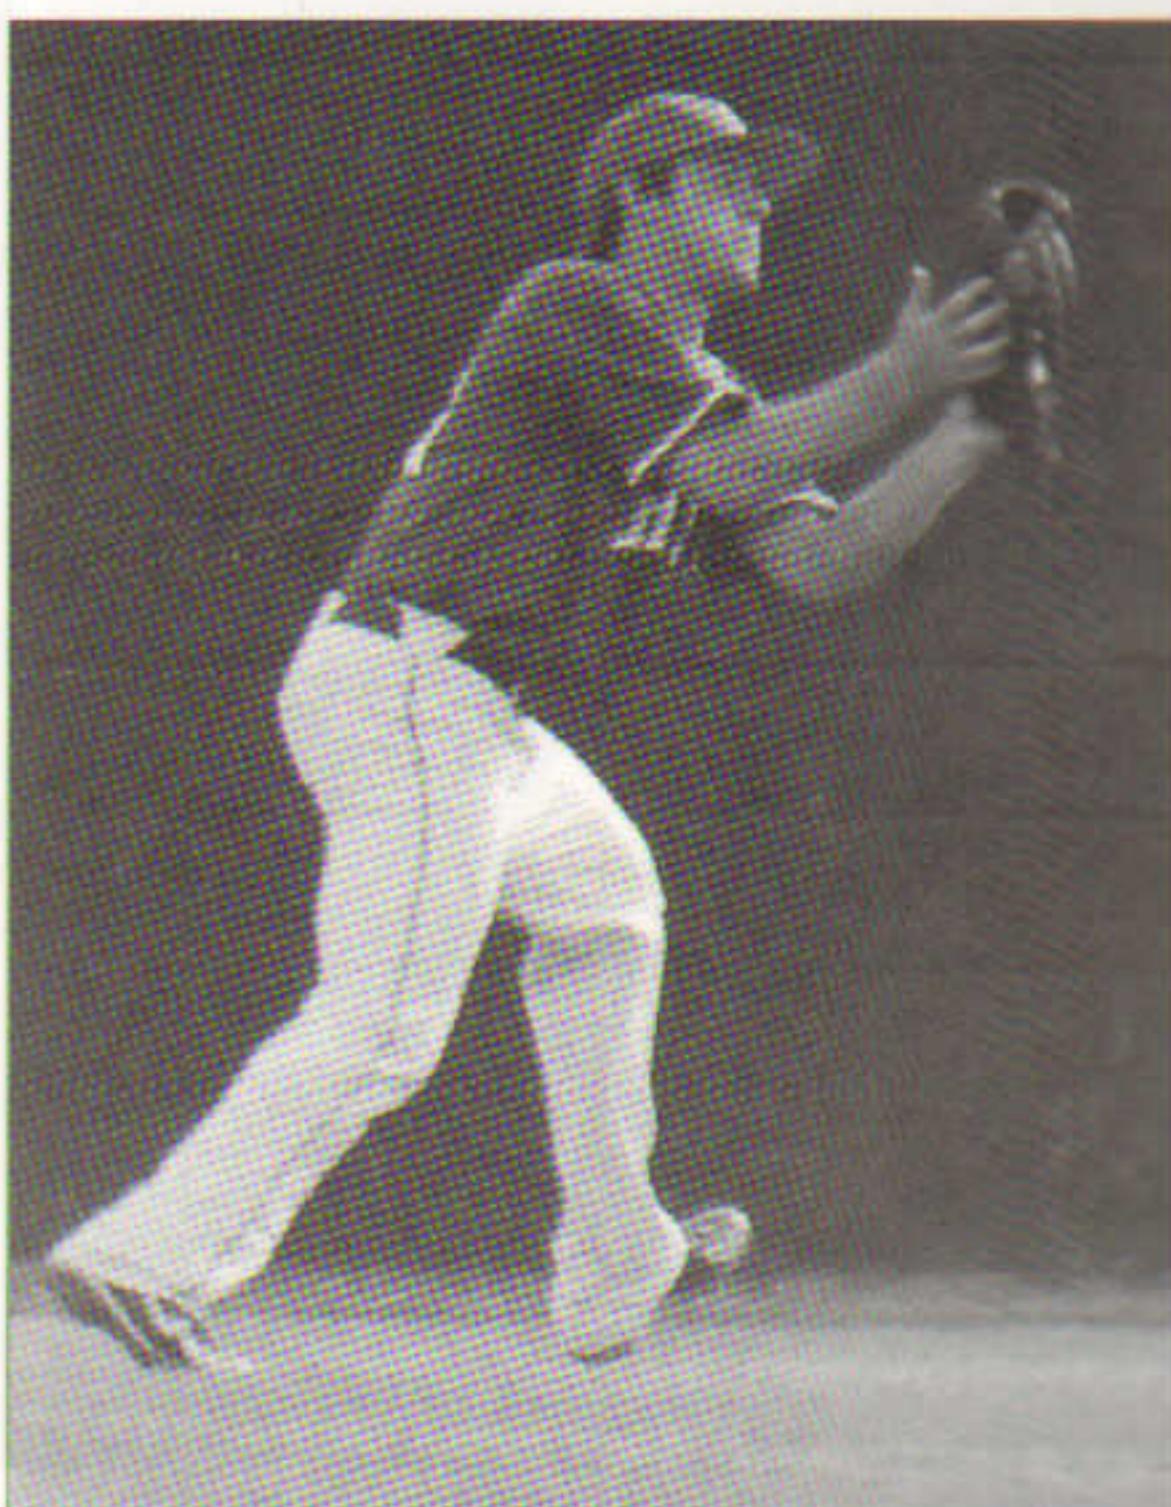

The Bucs will look to rebuild their infield with the loss of Dustin Dunn, Cayleb Coker and Jon McKinney. The Bucs will feel the loss of these players, but confident that they will be able to pick up where last season ended.

"Stafford Booth is a transfer from Auburn. He is a big time hitter with power," Sprowl said. He will be the centerpiece of our infield. Booth will likely play third base along with Trent Lucas. Trent is a good defender that can play anywhere in the infield.

At the shortstop and second base position will be Lance Wilson, Blake Barber and Chase Fields. "Lance Wilson could be one of our best middle infielders," said Sprowl. Barber is a transfer from Northwest Florida and is expected to see playing time as well.

First base will feature Steven Glasgow, Garrett Stallings and Jim Bob Hutchinson.

The Bucs lost veteran catchers in Matt Kirkwood and Ben Fox. They will look to several newcomers to fill the role of catcher. Newcomers Brad Sevenish, Brett Wellman and Tanner Ashcraft will see time behind the plate.

PITCHERS

The Bucs lost starting pitcher Cory McGinnis to the MLB Draft. He was drafted by the Pittsburgh Pirates. The Bucs will look to Johnny Shuttlesworth and Black Beck to anchor the starting pitching staff with their experience. Shuttlesworth is a veteran Buccaneer but is coming off of Tommy John surgery. Beck is a lefty that throws 3 pitches for strikes.

Also starting will be Alex Milazzo, Payton Gardner, Monterio May and Terrance Dedrick. Milazzo commands the strike zone while Gardner knows how to pitch and will be a big part of the 2011 season.

Montero May has a chance to be a dominate pitcher if he can command the strike zone. Terrance Dedrick should be a dominate pitcher this season.

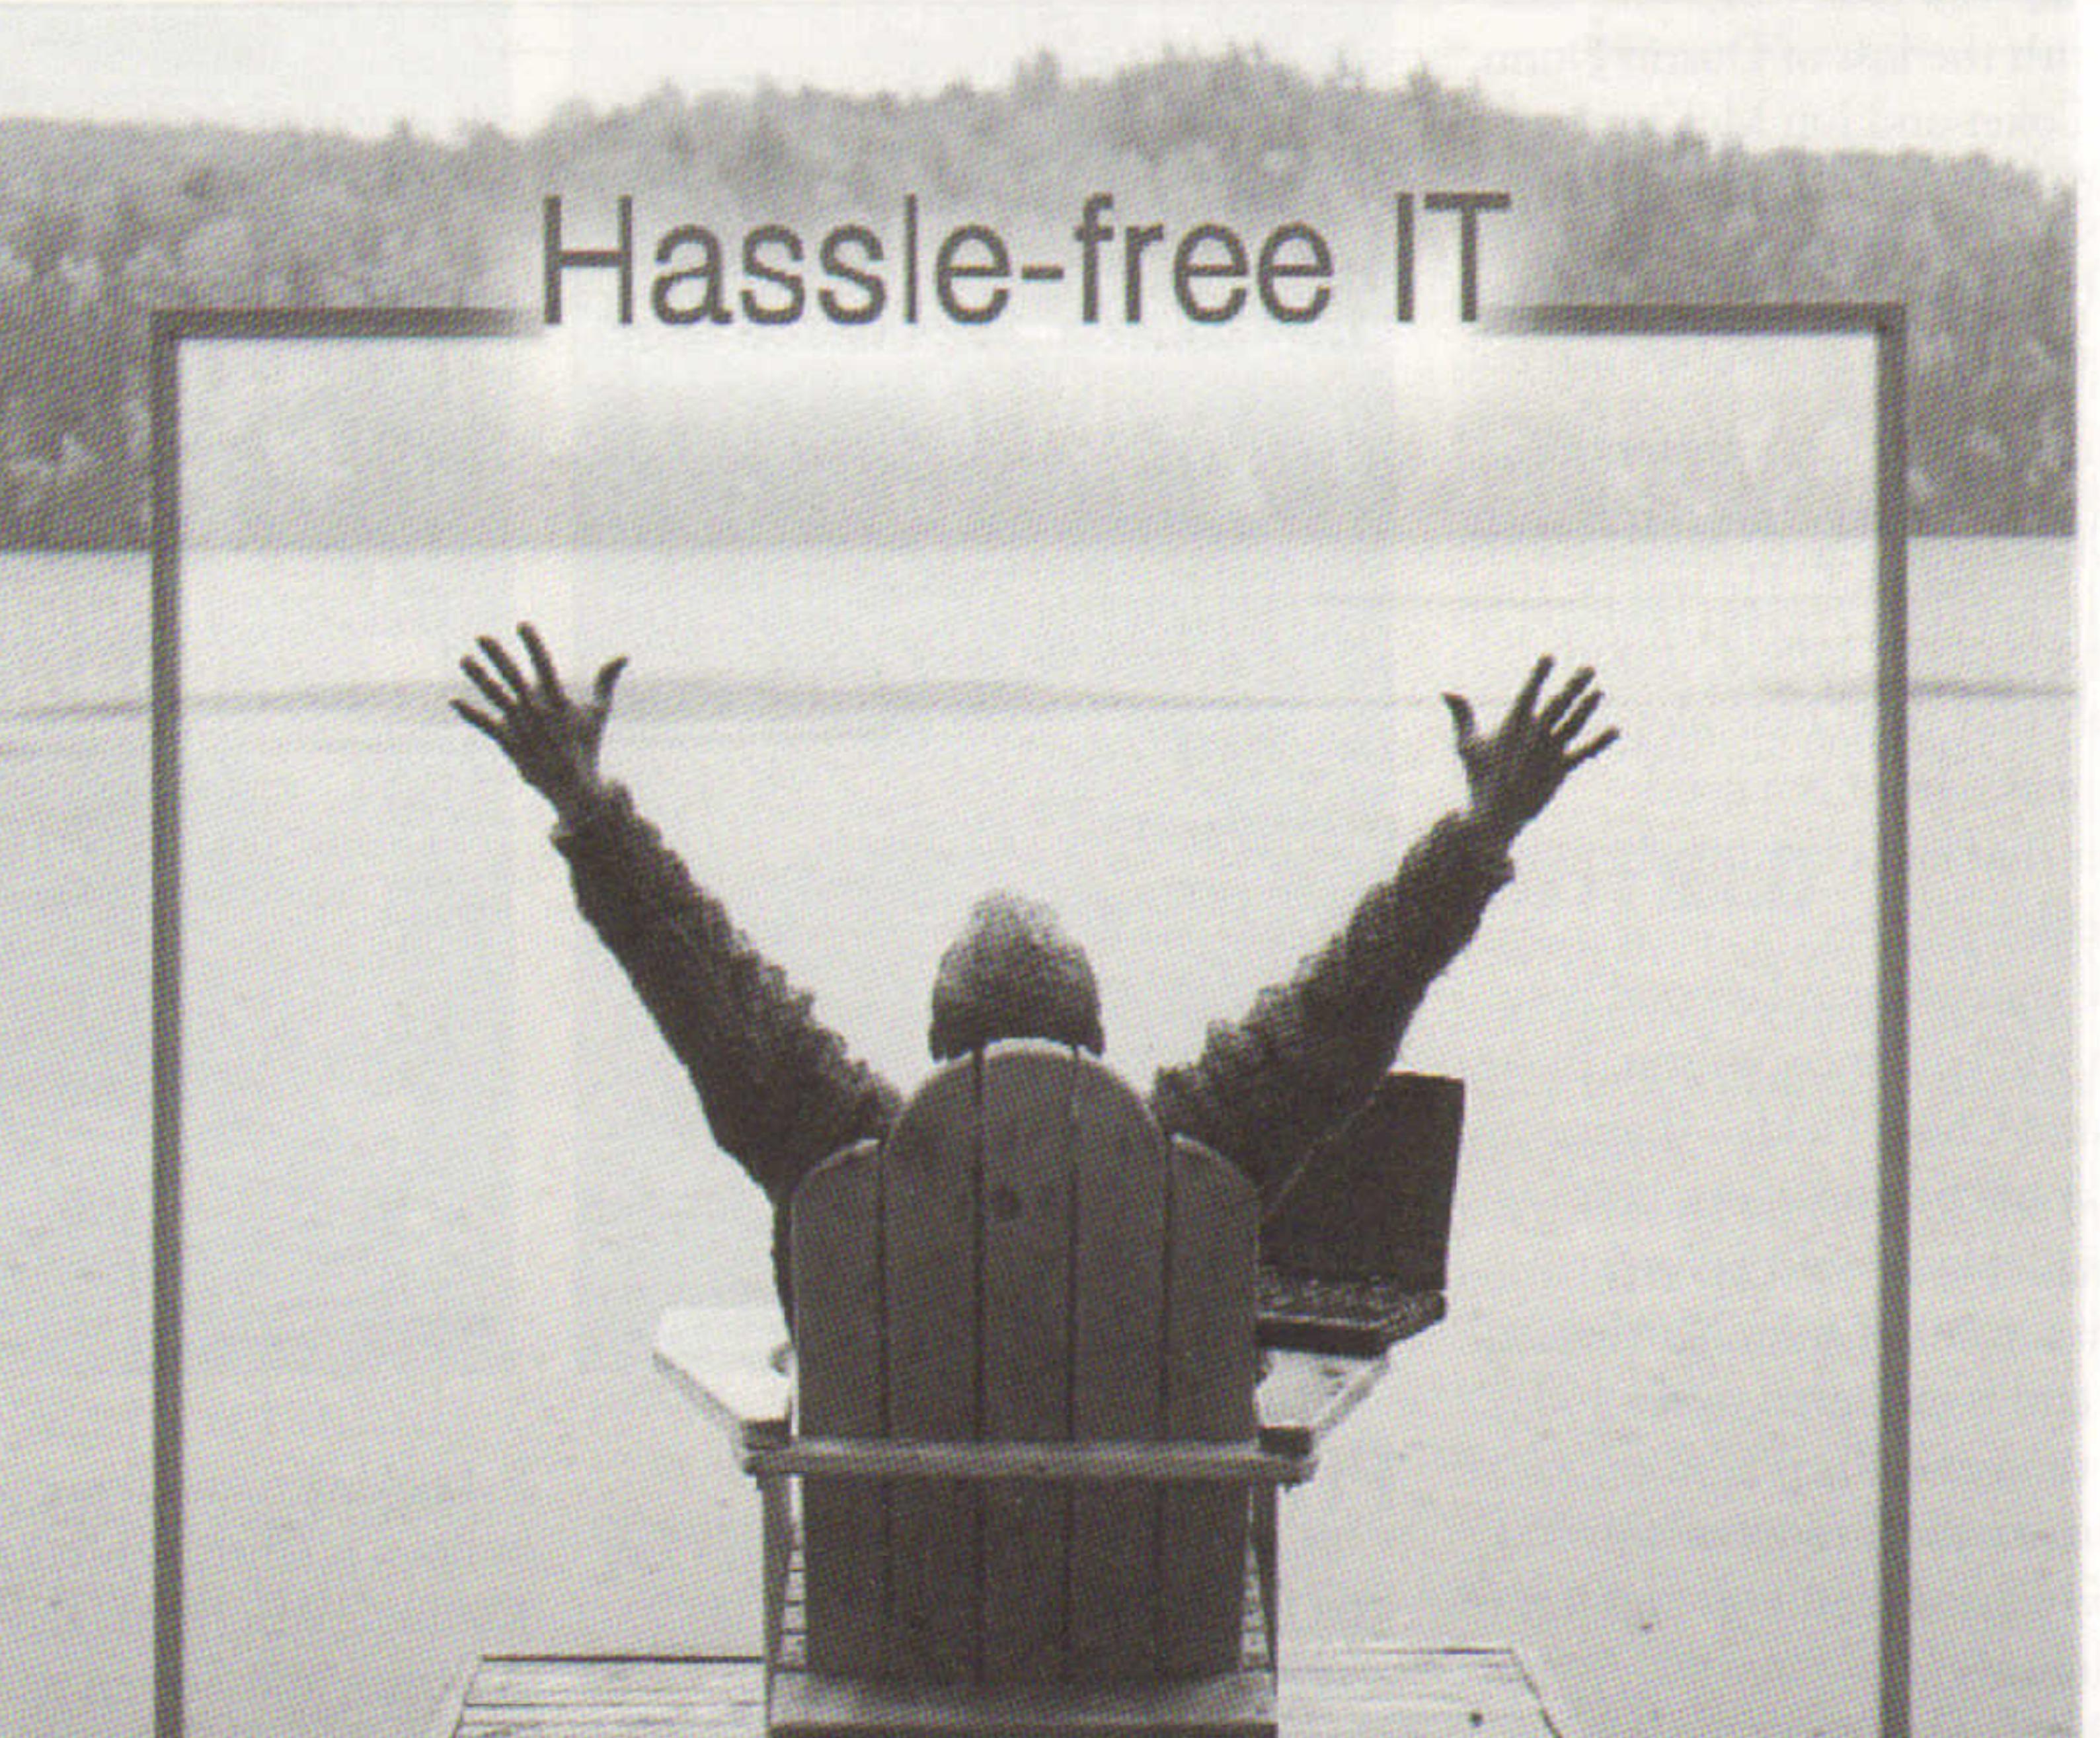

There is not much experience in the bullpen this season. This years bullpen will have to learn on the job.

Looking to pitch out of the bullpen is Chris Whitaker, Matt Kimbrel, Wes Franklin, Alex Aultman and Steven Sanders. Also, out of the bullpen could be Terrance Dedrick and Payton Gardner.

"We hope that by the time that we get to conference games, we will have another strong starting rotation that can keep us away from big innings," Sprowl said.

"As with any year our bullpen will be the key to our success. Having loss Carden and McKinney in the bullpen we will look to several newcomers to step up. Consistency will be the key for our new guys. They all have good arms but have to learn how to get out of jams with strikeouts and shut down teams late in games. Our bullpen has been a strength in the past few years. We need this to be able to shorten the game," Sprowl said.

COACHES

BOBBY SPROWL

Head Coach
University of Alabama • 21st Season

After leading Shelton State to the most successful three-year run in the 25-year history of the Bucs baseball program, head coach Bobby Sprowl enters his 21st season at the helm of the Buccaneer baseball program.

Sprowl, who was named the 2009 ACCC Coach of the Year, has directed the most remarkable turnaround in the history of ACCC baseball. Shelton rewrote the record books during a historic 2008 campaign, racking up a school-record 49 wins and notching the second ACCC Championship in school history. One of the hottest coaches in the state, Sprowl brings his tradition of success to Tuscaloosa. Well-known for his ability as a hitting instructor, Sprowl directs the best offensive club in the ACCC, piling up a school record 538 runs last season. Shelton's exciting brand of baseball has drawn national attention over the past few years, including finishing Runner-up in the nation at the coveted Junior College World Series in 2008.

Coach Sprowl celebrated another milestone in his career this year. He was inducted into the Alabama Baseball Coaches Association Hall of Fame. Coach Sprowl enjoyed a fine college career at the University of Alabama, recognized as a second team All-American and consensus All-SEC in 1977. His 11.50 strikeouts per nine inning led the NCAA in 1977. He was recently honored by being named to the Crimson Tide's All-Century Team. After his college career at Alabama, Sprowl enjoyed an eight year professional baseball career with the Boston Red Sox and the Houston Astros. Sprowl, who was the number two pick of the Boston Red Sox in the June 1977 free agent draft, was a member of the 1978 team that lost a one-game American League Eastern Division playoff to the New York Yankees on Bucky Dent's famous three-run homer over the green monster at Fenway Park. On June 13, 1979, Bobby was traded to the Houston Astros. While a member of the Astros, Sprowl played on two Western Division Championship teams (1980 and 1981). Sprowl has a 28 year old son, Jon Mark. Bobby is married to the former Teresa Gibson, and they have two children, Trevor (17) and Graceson (13).

BUCCANEERS FALL SHORT OF 4TH STRAIGHT TITLE

After beating Faulkner State 7-5 to force the final decisive game, the Bucs fell 7-6 in the ACCC State Tournament game, ending their chance at their fourth straight state title.

The Bucs scored in the fourth inning to trim Faulkner's lead to 4-3, but allowed three runs in the bottom of the inning. Brandon Roberts, J.R. Krebs and Cayleb Coker all had two hits. Jon McKinney had a double and two RBI's.

Coach Bobby Sprowl didn't have to wait until next year to achieve his 700th victory as Shelton State's baseball coach. Sprowl reached that milestone when the Bucs defeated Marion 14-3 during the tournament. "To be honest with you, I don't keep up with it," he said. "I was short of shocked. It seems like yesterday that 600 was here. Time goes by quick."

The season started with a lot of promise. The Bucs were coming off

consecutive ACCC State Championships. With the loss of veteran leadership, the Bucs were looking to fill the shoes of the 2009 team in Justin Diliberto, Greg Guy and Brett Whitaker and many more. The 2010 Bucs turned to Coy Arrowood, Cayleb Coker, Dustin Dunn, Kenny Fleming, Corben Green, Matt Kirkwood and Jon McKinney for their leadership and experience.

The recruitment immediately brought in some key players to mix with the returners to build a good nucleus of players. The Bucs were now positioned and ready to compete for their fourth consecutive ACCC State Title and trip to the coveted JUCO World Series in Grand Junction, Colorado.

The Bucs began their season slow with opening losses to Northwest Florida and Meridian. They continued to struggle as they traveled across Florida losing once to

Tallahassee Community College, Chipola College, Northwest Florida, Gulf Coast, and Central Florida. They did manage to win single games against Tallahassee, Gulf Coast and Central Florida. They returned home and lost a single game to Central Alabama and a series loss to Chattahoochee Valley. Things were looking grim for the 2010 season but league play was up next and the Bucs stepped up to the plate. They lost game one of the opening league series against Snead but never looked back as they defeated Snead State in game two and three, winning 6-1 in both of those games.

Calhoun Community College was next on the schedule and the Bucs swept them 14-6, 14-2 and 13-4. Wallace-Hanceville was next and they defeated them two out of three, swept Jeff State and Lawson State, won two out of three against Northwest Shoals and Marion, and

swept Bevill State-Sumiton and won two out of three against Gadsden State.

At one time the Shelton State baseball team had a 4-12 record. Now the Bucs were preparing for a trip to Ozark, where they will try to win their fourth straight ACCC Title. The Bucs went 22-5 in conference play and won the North Division title where they earned a first round bye.

The last three Shelton State teams advanced to the JUCO World Series, but Sprowl did not want his players thinking about a trip to Grand Junction. "You get 10 teams together, you're a long way from there," Sprowl said. "It's still a game of who's hot at the right time and who gets the right match-ups against the right teams. It's just a tough tournament to win."

"To make another trip to Grand Junction is the ultimate goal, and we work for it. Being in it as long as I have, I know that four games make it a long way away. But I'm proud of this team. We won the division and finished four games ahead of everybody else. Winning helps because it gives you a bye, but I don't know that there's any pressure on us. You try to play the game like you would any other game."

Third baseman Cayleb Coker had a .365 batting average entering the tournament with a team-leading seven homeruns and 40 RBI's. Shortstop Dustin Dunn is batted .281 during regular season with 25 RBI's. Sprowl also noted that Coy Arrowood had a solid season in Centerfield. Corben Green missed most of the 2009 season with a knee injury but returned for the 2010 season at first base. Brandon Roberts seems to get things going as he was the leadoff hitter most of the season. Outfielder Kenny Fleming batted .315 and shared the outfield

Brandon Roberts seems to get things going as he was the leadoff hitter most of the season. Outfielder Kenny Fleming batted .315 and shared the outfield

with J.R. Krebs who batted .340 during regular season. Jon McKinney played second base and provided help as a relief pitcher. Sprowl said Ben Fox and Matt Kirkwood are two of the best catchers in the state. They shared time behind the plate.

The Bucs drew Northwest Shoals in Day Two of competition for the ACCC State Title. Shelton was defeated in Game One 10-2 by Northwest Shoals which immediately knocked them into the loser's bracket. They would face Enterprise next where the Bucs defeated them 10-0.

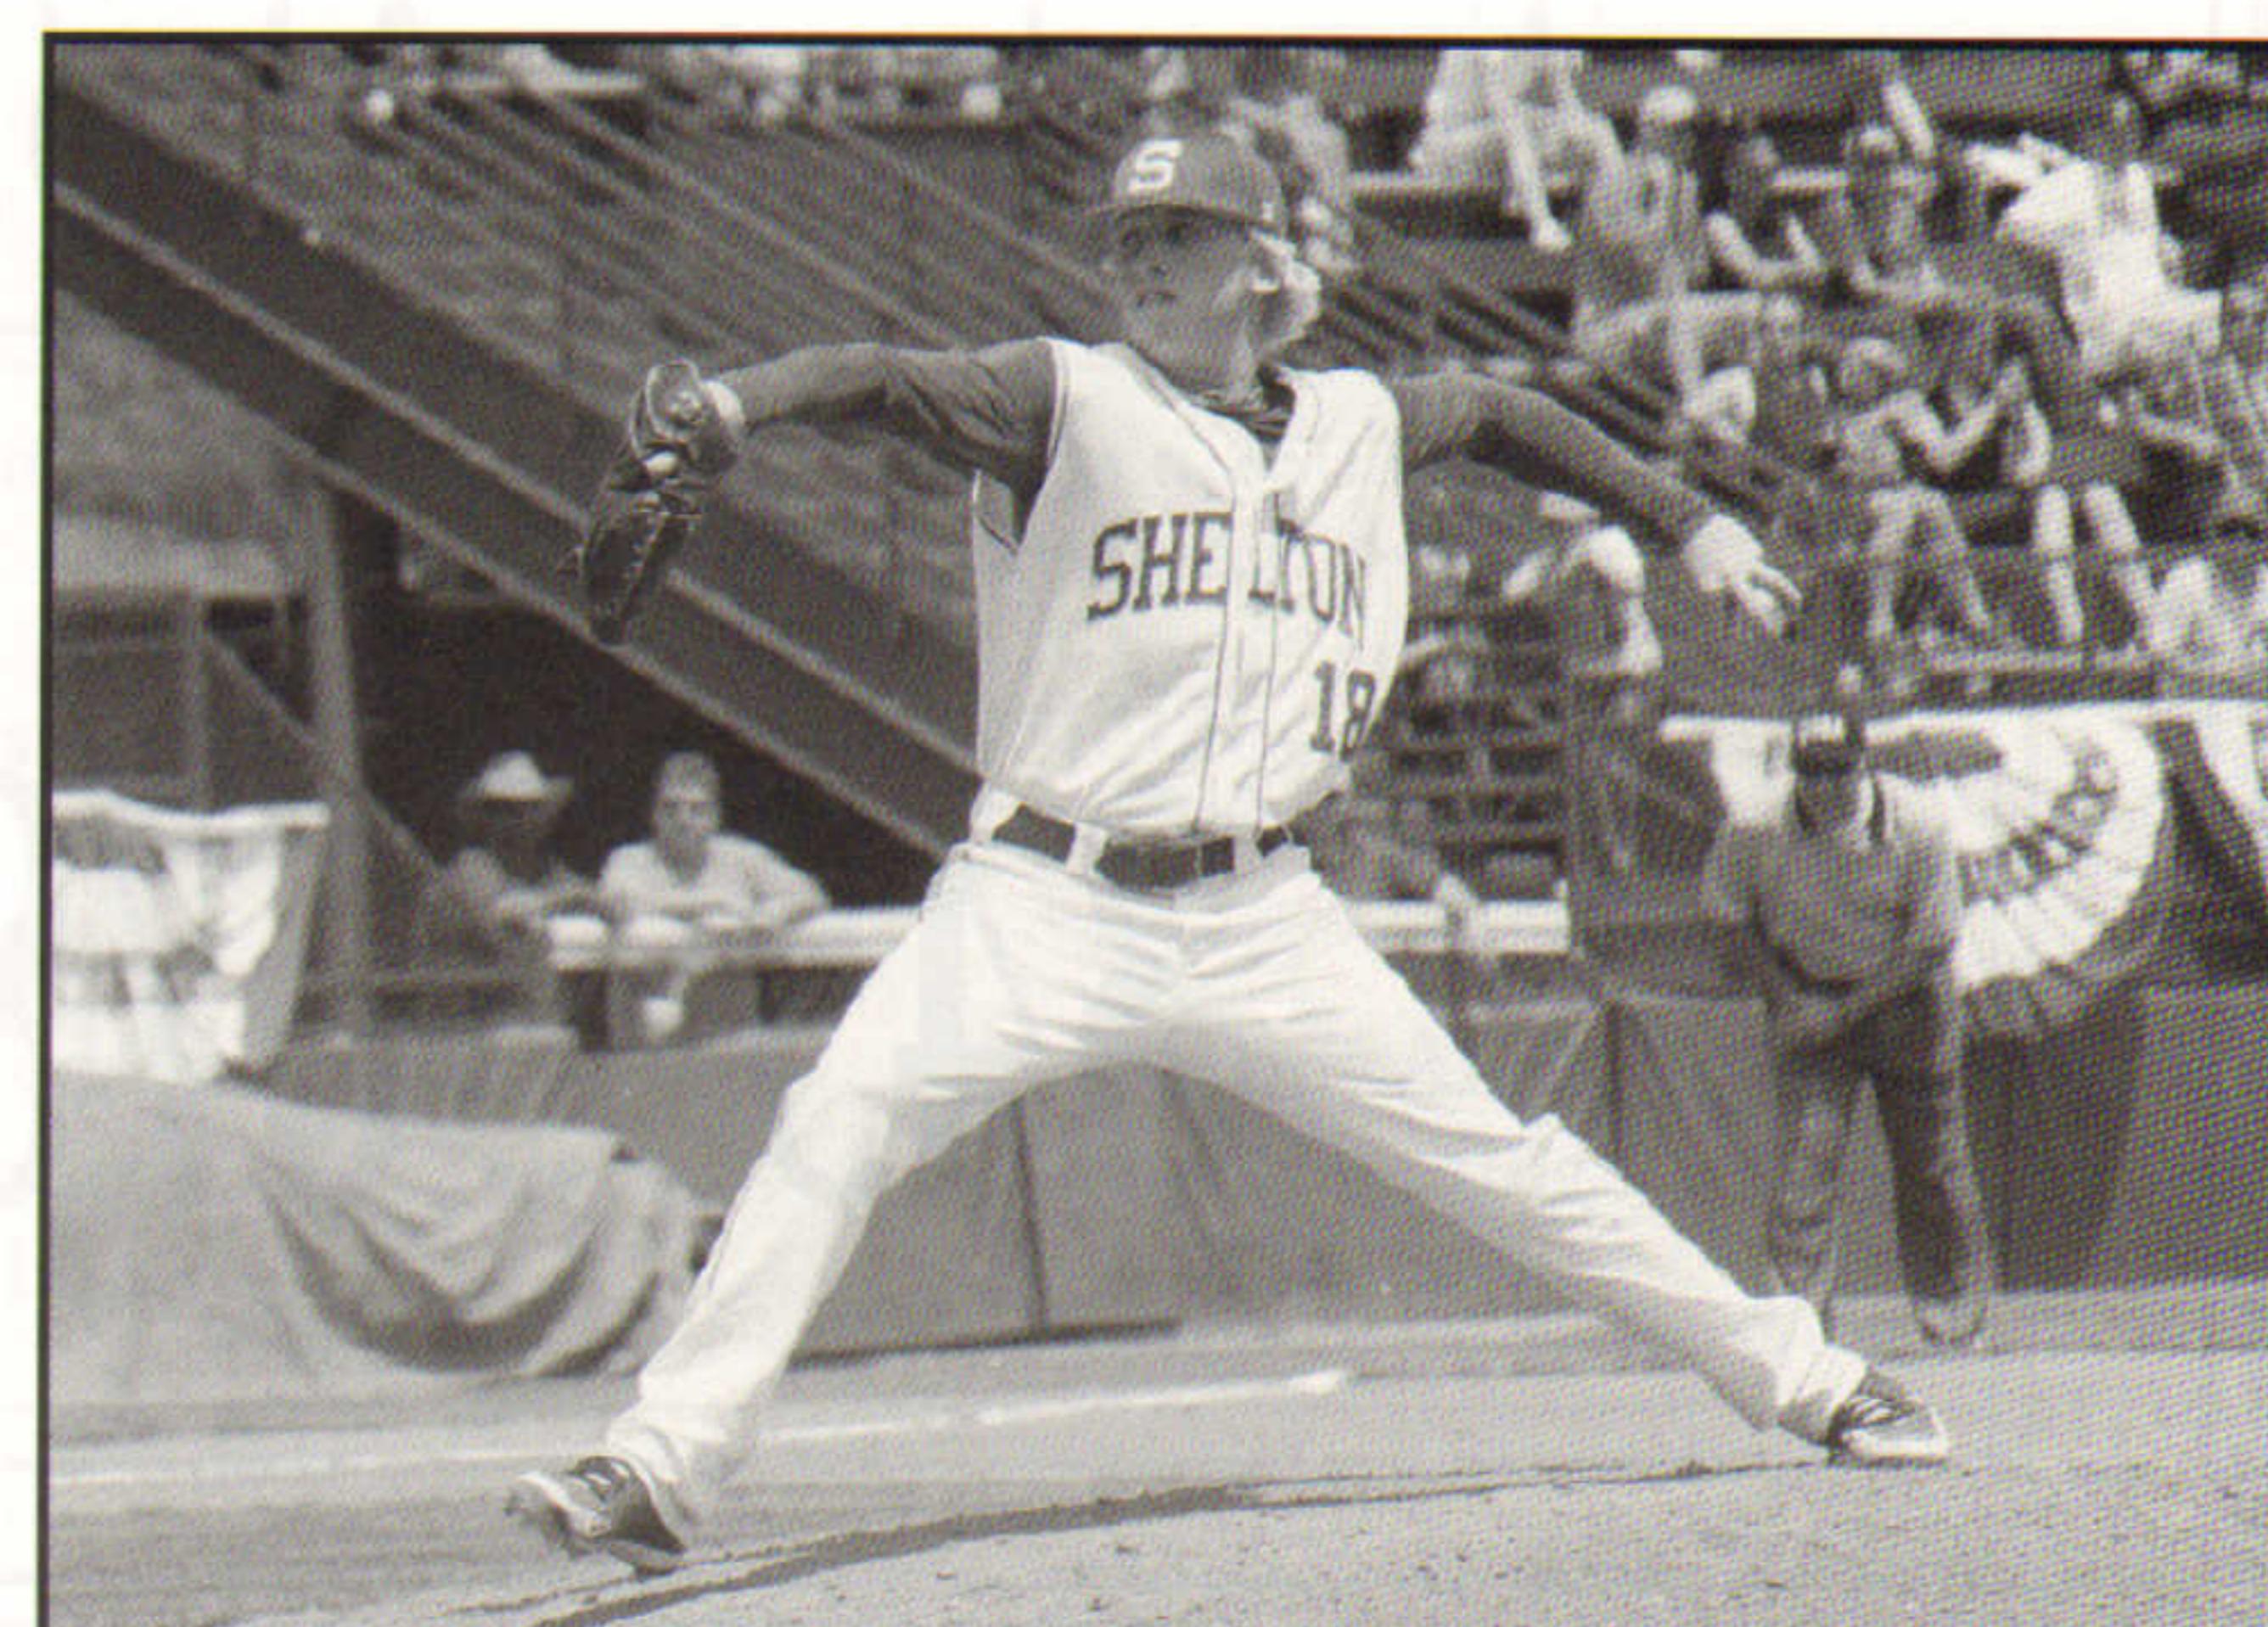

Next game Marion Military Institute. A win here would give Coach Bobby Sprowl his 700th victory. The Bucs defeated Marion 14-3. Shelton scored two runs in the second inning, two in the third, three in the fourth, one in the sixth, four in the eighth and two in the ninth. MMI cut the deficit to 4-3 by scoring three runs in the third inning.

Cayleb Coker drove in four runs. Coker went 4-for-5 and Corben Green went 4-for-6. Green scored

four runs and drove in two. Dustin Dunn went 3-for-3 with two RBI's and two runs. J.R. Krebs had a hit, scored three runs and drove in one. Donnie Forrester, Will Tinsley, Matt Kirkwood, Ben Fox and Jon McKinney each had a RBI. Johnny Hornbuckle pitched seven innings to get the win.

The Bucs would now face Northwest Shoals again to continue their run for a State Title. The Bucs defeated Northwest Shoals 8-7 to advance. One more win would send the Bucs to the championship series against Faulkner State. Shelton defeated Central Alabama 5-1 to advance to play Faulkner State. Faulkner was undefeated which meant the Bucs must defeat them twice to capture their fourth straight title. The Bucs won the first game 7-5 to force the final decisive game.

Faulkner State defeated Shelton State in the final game 7-6 ending the Bucs run for another State Title. The Bucs finished the season short of their ultimate goal but gained much experience.
